

REFRESHMENTS

Each tea and coffee point are equipped with a fresh bean-to-cup coffee Franke machine that will include a de-cafeinated bean at the main tea and coffee points. A Vivreau tap is also installed which provides boiling water for tea, chilled still and sparkling water. Semi-skimmed milk is provided. If you prefer to have another type of milk, you may bring in your own bottle and store it in the fridge provided. Please note that the fridges will be cleared out each Friday.
